

MODEL 131

Remove water from areas
with no gravity flow

Drain Pump Series

zoellerpumps.com | 800-928-7867 | 3649 Cane Run Rd., Louisville, KY 40211

Designed for applications where gravity flow is not possible including laundry tray, wet bar sink, lavatory, air conditioning condensate, and dehumidifier. Can also be used in conjunction with dishwashers and garbage disposals.

Features:

- Automatic pumps with tank cord seals
- No inlet filters or screens to clean
- Polypropylene basin and lid
- Low profile, easy installation; can be installed in base cabinet under a sink
- Trap can be installed inside basin

100% factory tested

TOTAL DYNAMIC HEAD FLOW PER MINUTE
